SIR:

In response to the Office action mailed December 24, 2002, the time for response to which is extended to June 24, 2003, by the attached payment of the fee required under 37 C.F.R. §1.136(a), please enter the following amendment(s):

IN THE CLAIMS:

1. (currently amended) A teaching system for use by a user with a user processor for teaching the user information, said system comprising:

a distance learning program having a URL structure of linked pages accessible by the user via the user processor wherein the linked pages include the information to be taught to the user; and

a tracker software program tracking the user's progress as the user navigates through the linked pages of the distance learning program and creating a progressive history file of each of the pages visited accessed by the user as the user navigates through the linked pages of the distance learning program, said history file remotely stored on a server for independent access by the user via the user processor and by a teacher via a teacher processor.

2. (currently amended) The teaching system of claim 1 wherein the distance learning program further comprises a site map for graphically displaying the URL structure of linked pages to the user via the user processor, and wherein the site map displays to the user via the user processor and/or teacher via the teacher processor the user's progress based on the history file.
